

# Margarita-Style

Introducing Margarita-Style Boba POPS – the ultimate refreshing treat that captures the essence of your favorite cocktail in every pearl! These pearls of popping spirits offer a burst of tangy lime, zesty lemon, and a touch of salt, perfectly replicating the classic margarita flavor. The tangy lime hits your taste buds first, followed by a bright, citrusy zing from the lemon, and finished off with a savory, salty rim taste that adds a fun, cocktail-inspired twist. Each pop delivers a playful, effervescent experience that's as refreshing as it is exciting. Whether you're lounging by the pool, enjoying a sunny BBQ, or just craving something unique and flavorful, Margarita-Style Boba POPS brings the perfect balance of sweet, tart, and salty in a fun, popping pearl.
