

CREEK WATER

From the mind of Slumerican founder and global recording artist Yelawolf, Creek Water is an award-winning 100 proof American whiskey that is carefully crafted in North Carolina.

Creek Water Smoked Peach is made with all natural flavors of grilled ripe peaches with a touch of baking spice and balanced sweetness. The aroma of fresh peaches and subtle wood-fired smokiness harmonize with an oak, caramel and vanilla sweet smoky finish.

Creek Water American Cinnamon cuts our flagship whiskey down to 70 proof and adds an extra spicy cinnamon kick into the mix.
