

Transforming the Table Games Pit

Experience MONOPOLY™, the world's most iconic board game, like never before!

MONOPOLY Table Games Progressive brings the beloved classic to life in the casino pit, transforming every round into a dynamic and rewarding experience. Mr. Monopoly is the star of the show, randomly selecting hands and providing exciting multipliers up to 10x, keeping players engaged and on the edge of their seats.

Designed to deliver high energy and volatility without compromising house edge, the MONOPOLY Table Games Progressive is unlike anything the industry has seen. With nostalgic animations and familiar visuals, this theme adds a fresh layer of excitement to the table—and best of all, it's compatible with nearly any Galaxy Gaming progressive.
