HALF

13 STATS IN MÉXICO

1V1 OFFENSIVE

He stands out for his physical strength in one-on-one duels when playing with his back to the opponent's goal. He possesses good individual skills for controlling the ball and maneuvering out of tight spaces surrounded by several opponents. His strength and jumping ability are also notable when dealing with aerial balls.

Tactical Analysis

COPA

DISMARKS

He has excellent game awareness and knows the exact moment to make runs into open space. He consistently scores goals thanks to his diagonal runs behind the defenders. Once inside the penalty area, he positions himself well, creating good opportunities to shoot without opposition.

SHOOT

One of his main strengths is his ability to shoot from medium and long range. He can score from outside the penalty area, both from open play and from set pieces. He achieves both power and accuracy in his shots, even when space is limited.

FINISHING

He is known for his wide variety of finishing techniques and his high level of accuracy. He is a forward with excellent shooting ability, strong aerial presence, and quick decision-making in the penalty area. His precise and rapid finishing style allows him to consistently score, even when under pressure.
