STATS IN PERU

POWERED BY WYSCOUT

BUILDING-UP PHASE

He is capable of leading the build-up phase of his team. He can manage the tempo of play by distributing the play. He does not take many risks and just plays easy.

STRONG BIOTYPE

He has a strong biotype. He uses those characteristics to succeed in defensive ground challenges. He uses his body to displace the rival without committing a foul.

OPEN SPACES

He tends to get out of his zone in order to anticipate and avoid the rival's control of the ball. He is fast both to anticipate or to bounces back after being overcome by the rival. He has great performance in open spaces.

1V1 DEFENSIVE DUELS

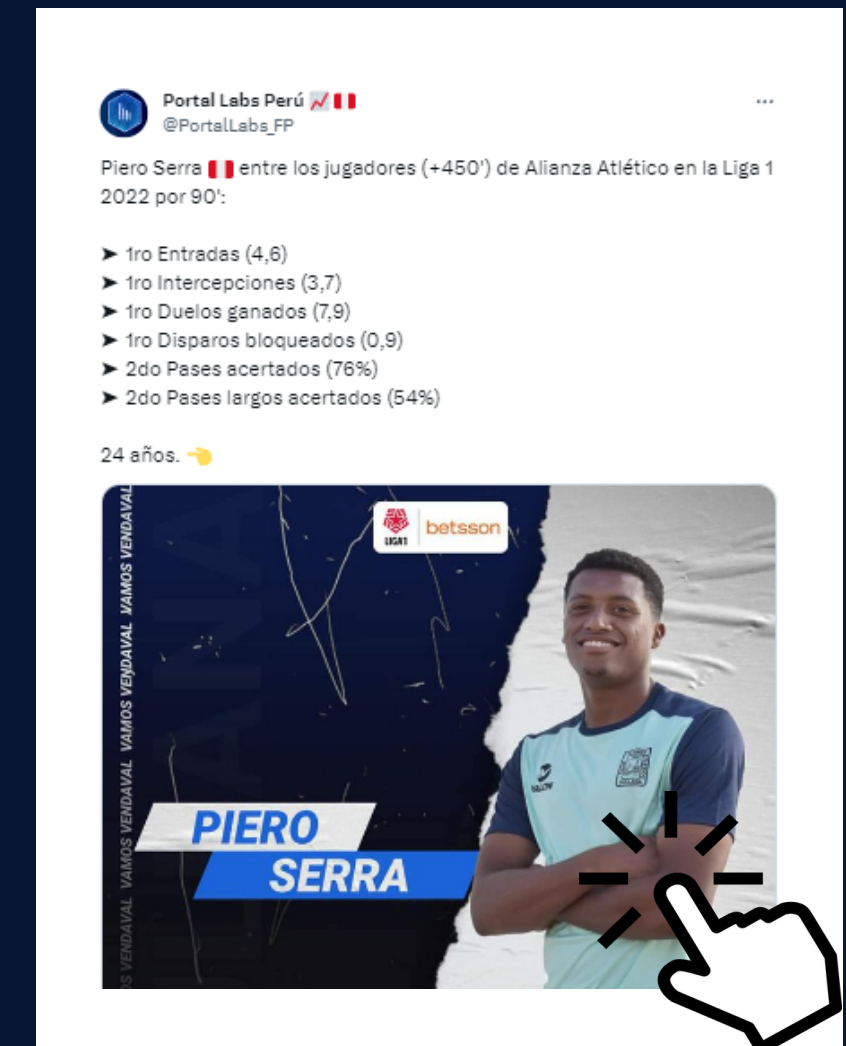

He is a footballer with great defensive 1v1 conditions. He understands how to recover the ball in ground challenges. He uses his body to win the possession e's quick to get into position and relentless in marking..
