POLYVALENCE

He is able to assume different positions such as winger, offensive midfielder or box-to-box. He plays all these positions with dynamism. Sometimes, he centralizes his game to get in touch with his teammates in different heights and lanes. He generates play.

PASSING TECHNIQUE

He helps his team to circulate the ball because of his accuracy and reading of play. Usually, he moves the ball side to side, but he is good at sending passes into space, in between the lines or to a teammate in good position.

Tactical analysis

BOX-TO-BOX

He arrives near the box frequently. He is able to score in the box. He understands how to locate on the sides to generate width and move to the middle looking for depth.

DEFENSIVE SKILLS

He is quick to close passing lanes. He retreats into shape as quick as his team does. He is always in play to reduce space and numerical superiority for the rival. He is intense in defensive situations.
