Total actions / successful

SPEED

He's a lethal player in open space. Thanks to his height and powerful stride, he can outpace any opponent, even when starting at a disadvantage. On top of that, his sprinting speed is dizzying.

OFFENSIVE 1V1

Known for exceptional agility and aggressive attacking, displaying an unpredictable zigzag and change of pace that leaves defenders guessing. Frequently dribbles past opponents, setting up teammates with dangerous crosses.

WORK RATE

He is an attacker who tends to cover a lot of ground throughout the match. He tracks back when defending or building play from the back. Often makes diagonal runs or long runs down the wing to create space for his teammates.

INTENSITY

He is an intense player in all aspects of the game. Often seen as very energetic when pressing to recover possession or force errors in the opponent's buildup, and when performing defensive duties.
