"Every once in a while you come across a locally-owned business with a family spirit and a commitment to quality, honesty and customer service that sort of restores your faith in humanity. Gibraltar Pools is one of those rare operations. The owner came out personally to measure the property and give us a quote. There was no hard sell. The pool was delivered and installed two weeks before it was promised. The installation was flawless. The crew was attentive, caring, and detail-oriented. They really cared about how the finished product was going to look on our property. They went the extra mile and added some labor that they didn't even charge us for. We also have Gibraltar winterize the pool and get it ready for the summer every year."

- DAN P., TOPSFIELD

"We love [our Gibraltar Pool] because it adds so much to our back yard and our summers. We are retired and enjoy swimming laps. But more importantly, is the fun we have with our grandchildren. Our two 11 year olds when they visit are in the pool all day. And our 15 month granddaughter loves being in the pool."
