USDF - STATEMENT ON ANIMAL WELFARE The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals. Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved. The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed. Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life. While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water,

and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival. As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training. United States Dressage Federation 4051 Iron Works Parkway, Lexington, KY 40511 Phone: 859-971-2277, Fax: 859-971-7722, usdressage@usdf.org, www.usdf.org Each competitor is responsible for supplying management with correct applicable numbers (USDF and USEF) for horse, owner, rider, and trainer, before the day(s) of the competition. The scores of competitors who fail to supply correct numbers may not be counted toward national awards.

DESIGNATED RUNNERS IN SCOTTSDALE SIGNATURE STALLION AUCTION CLASSES - SSS classes are Futurity or Maturity classes and are not sanctioned by USEF or AHA but will follow those rules unless otherwise specified. Designated runners who are amateurs will be allowed in the SSS Auction Yearling classes only. Designated runners with amateur certifications will be allowed to run the horses into the ring for the owner in the SSS Auction classes, an amateur runner may only run one horse per class. Runners must have current USEF and AHA cards to be eligible to enter the class. Horses will enter the arena in-hand at a trot, guiding in a counterclockwise direction. Each horse shall trot in one at a time and shall proceed at the trot until reaching its designated position in line as directed by the ringmaster. The handler will wait in the designated area and will control horse throughout the rest of the class. The judges and show management at their discretion may omit the walk on a loose rein from the SSS halter classes.

DRESSAGE TEST OF CHOICE - For each test, classes will be divided into sections A, B, and C. The Final results will be ranked and reported as one class.

EGYPTIAN HERITAGE RELATED CLASSES (EGYPTIAN ARABIAN CLASSES) - The Egyptian Heritage Classes are open to any horse whose pedigree is verifiable at least 25% - at least one of the four grandparents must be categorized as Straight Egyptian. It is the responsibility of the owner and/or trainer submitting the entry to validate eligibility. If you are unsure, please submit an inquiry and a verification of your horse's eligibility will be reviewed by the Show Committee. Horses not eligible will be disqualified from the class.

ENGLISH DRESSAGE - Contact USDF and/or USEF for class specifications.

GAMBLERS CHOICE CHAMPIONSHIP - The top six (6) horses from the 0.90M and 1.0M classes in the Championship Jumper Division will qualify for this class. If fewer than six (6) horses are available, the 0.80M classes may be used to fill the remaining spots. Each obstacle will have a point value based on its difficulty. Fence heights will range from 0.90M to 1.2M. Riders will have a set time to complete their round, with the competitor earning the highest number of points declared the winner. A course designer will set up 8 to 12 jumps in the arena, each of which can be jumped in either direction. Jumps will have assigned point values, with more challenging fences worth higher points (e.g., 30, 40, 50, 60, 70, 80, 90, 100, 120). From the start of the buzzer, riders will have a fixed time (e.g., 60 seconds) to clear as many jumps as possible, accumulating points for each successful attempt. Each jump may be taken no more than twice. After time runs out, competitors may take on the "Gambler's Choice" fence, a high-risk, high-reward jump, offering a last chance to boost their score. However, knocking down a rail means losing the fence's value from their total. In case of a tie, a jump-off will determine the winner.

The designated person will be allowed to use only the whip and appendages of the same length as those currently allowed for the individual handling the horse. AR114.2. U.S. CENTER FOR
SAFESPORT

This competition is recognized by USEF for 2026

USEF Membership Benefits: USEF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the USEF Member Guide or the USEF website at www.usef.org.

Membership Requirements for USEF-licensed/USEF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the U.S., wishing to participate in a USEF-licensed/USEF-recognized competition as a rider or owner/lessee, must have either a USEF Group Membership (GM), Participating Membership (PM), or have a USEF Non-Member (NM) Identification number and pay the USEF Non-Member (NM) fee. (Note: USEF Business Members can own horses but cannot compete as riders with their USEF Business Membership.)

Horses competing at USEF-licensed/USEF-recognized competitions must have either a USEF Horse Identification (HID) number or a USEF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USEF-recognized competition, and not able to present the competition secretary with verification of a USEF membership or NM Identification, and USEF LHR or HID, must complete a USEF Competition Affidavit Form and pay the \$5 Affidavit Filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USEF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USEF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in headline, exhibitions, games and races, classes for 4-H members, walk-brot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USEF HID requirements are also exempt from the USEF NM Identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USEF. The membership year is December 1 through November 30. PMs are available for 1-year (\$100), 5-years (\$400), or life (\$2,000). A USEF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$80). A PM allows the member to compete at USEF-licensed/USEF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USEF Year-End Awards and the Great American Insurance Group/USEF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USEF when the member name and dues are submitted to USEF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USEF-recognized competitions and participate in the USEF Rider Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USEF. The BM (\$280) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USEF NM owner/lessee and USEF NM rider there will be a USEF NM fee of \$55 per competition that must be collected by the show secretary and submitted to USEF along with the USEF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USEF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USEF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USEF PM, GM, or BM there is no NM fee assessed. Competition management will be involved for all applicable USEF NM fees not received with the USEF post-competition paperwork, along with a report listing all USEF NMs. Competition management is then required to submit the NM fees within 30 days to the USEF. An individual with a USEF NM Identification number is not eligible for any USEF membership benefits. Once a USEF NM number has been assigned, a USEF NM card can be obtained from the USEF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$45). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USEF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USEF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$95. If a horse has a USEF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$140) is eligible for Adequan®/USEF Year-End Awards, and eligible to compete in Great American Insurance Group/USEF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

Arabian Horse Association of Arizona

~ Producers of the Scottsdale Arabian Horse Show, Scottsdale Signature Stallion Auction & Futurity, Arabian National Breeder Finals, Breeders Club Futurity & American Cup Championship Arabian Horse Show ~

Scottsdale Halter Exhibitors:

The Scottsdale Show Commission kindly requests your cooperation with the guidelines for Halter Handlers & Exhibitors at the 2026 Scottsdale Arabian Horse Show. We believe that each horse should have the opportunity to "warm up" properly before entering the ring. The use of a whip with an attached bag is intended to enhance the horse's natural Arabian spirit, not to induce fear. As part of the halter community, we recognize that the excitement of showcasing these magnificent animals is what fuels this industry. Historically, the U.S. has been at the forefront of this passion, but our shows must remain as exciting as their international counterparts. If we limit a horse's ability to showcase its natural animation, it's akin to removing home runs from baseball or slam dunks from basketball—it diminishes the excitement that attracts audiences. This is a crucial time for our industry, one where we need to encourage new participation and keep spectators engaged.

Objective: To improve public perception regarding the treatment of halter horses, the assistant helping to prepare the horse for entry into the arena will be confined to a designated space. This is intended to dispel any concerns that the horse is being forced or chased.

Guidelines:

- **Assistants:** Each exhibitor may have one designated assistant to help with the entrance of in-hand horses into the ring.
- **Whips:** The designated assistant may use a whip with the same dimensions currently allowed for handlers (as per AR114.2). Whips must not exceed 6 feet in length, including the snapper, lash, or appendage. Small appendages (no more than 12 inches in length) made of ribbon, plastic, etc., are permitted. Show Management will provide the whip for the assistant, and no other whip may be used.
- **Designated Area:** Show Management will create or designate an area (no larger than 6 feet by 15 feet) where the assistant must remain while assisting with the horse's entrance.
- **Prohibited Actions:** Assistants are not allowed to hit or make noise with other objects such as trash cans or walls. Only the whip provided by Show Management is allowed, and no additional bags or devices may be used (as per AR114.2).
- **Enforcement:** Show Management, in collaboration with the USEF Steward(s), is responsible for ensuring that assistants understand and adhere to these guidelines. Violations of this rule may result in a warning card for both the handler and the assistant. Repeated violations may lead to disqualification and further penalties.

We appreciate your cooperation as we work to maintain the excitement and integrity of our show while addressing public concerns.

The must be marked with the horse’s name, entry number. If the exhibitor does not supply music, the show committee reserves the right to select appropriate accompaniment. Three judges will score each horse. The scoring system is from 1-10 in five categories: type, presence, animation, movement and performance, with a possible high score of 50. These classes are not USEF-Rated or AHA approved classes for points. The Show Committee shall handle all disputes and inquiries and their decision shall be final. HALTER/BREEDING & IN-HAND						
The Arabian Horse Association of Arizona has implemented rules for the paddock and entry area for all Halter classes. These rules will be strictly followed. EFFECTIVE IMMEDIATELY, one person per class will be designated to assist with the entry of the Halter classes. Only that person will be allowed to use any sort of device to enhance the performance of the Halter horses. The designated person will be provided a whip with appendages that can be used to enhance the Halter horses in the paddock area. No other devices will be allowed. No one, including the designated person, will be allowed to hit or use any other objects, such as trash cans, walls, plastic signs, etc. to make additional noise. Additionally, no one will be permitted to use plastic or paper bags of any type or size in assisting with entrance into the Halter arena. Should this rule/policy be violated, the person violating the rule and the handler and/or trainer associated with the person violating the rule can be subject to sanctions. The gate will close when final horse has entered. All horses will be called to walk; horses will be judged at the walk. Upon completion of walk Judges will then begin individual judging of horses. Only the next horse on deck is allowed to school. After all horses have been presented in center ring there will be a 5-minute final review of the horses on the rail (it is not mandatory that the judges do a final review). See general conduct according to USEF rules. Because the Arabian Scoring System is not utilized, the Scottsdale Classes will not be recorded by AHA. As such, placing in halter classes not using the Arabian Scoring System will not earn points for any AHA programs (i.e.: Qualification Points, Sweepstakes Points, Achievements Award Points, etc.). All halter classes will be held using the Scottsdale Comparative Scoring system using Three Judges or Five-Judges (see individual sections for scoring system used). ADMISSION TO RING - There will be an assigned order of go in all Halter classes. The Order of go shall be determined and posted by the birth date of each horse, from youngest to oldest. The prescribed order of go must be strictly followed. Horses that have missed entering the arena in the assigned order will be led in by the steward to their assigned order of go position on the rail. It is the exhibitor’s/handler’s responsibility to enter the arena in the posted order of go.						

SCOTTSDALE ARABIAN HALTER						
These classes will utilize the Scottsdale Comparative Scoring with the three (3) or five (5) judges. Horses will enter the arena in-hand at a trot, guiding in a counterclockwise direction. Each horse shall trot in one at a time and shall proceed at the trot until reaching its designated position in line as directed by the ringmaster. The judges and show management at their discretion may omit the walk on a loose rein from the BC halter classes. In the Scottsdale Arabian Yearling and 2-year-old classes if entries warrant will be split by age into two separate classes.

The top six (6) horses from the 0.90M and 1.0M classes in the Championship Jumper Division will qualify for this class. If fewer than six (6) horses are available, the 0.80M classes may be used to fill the remaining spots. Each obstacle will have a point value based on its difficulty. Fence heights will range from 0.90M to 1.2M. Riders will have a set time to complete their round, with the competitor earning the highest number of points declared the winner. A course designer will set up 8 to 12 jumps in the arena, each of which can be jumped in either direction. Jumps will have assigned point values, with more challenging fences worth higher points (e.g., 30, 40, 50, 60, 70, 80, 90, 100, 120). From the start of the buzzer, riders will have a fixed time (e.g., 60 seconds) to clear as many jumps as possible, accumulating points for each successful attempt. Each jump may be taken no more than twice. After time runs out, competitors may take on the "Gambler's Choice" fence, a high-risk, high-reward jump, offering a last chance to boost their score. However, knocking down a rail means losing the fence's value from their total. In case of a tie, a jump-off will determine the winner.

WALK/TROT CROSS RAILS, PLEASURE, REINING & TRAIL						
Youth (10 & Under) riders may not have been judged in a class at a recognized competition that required a canter or lope. Open to Arabian/HA/AA mares and geldings. Stallions are prohibited in 10 & Under Classes. (AR305) All Youth (18 & Under) Walk/Trot classes count towards the Walk/Trot High Point. Exhibitors who show in Walk/Trot or Jog 11 and Over classes may NOT show in any other class at that competition that requires exhibitors to show at the canter or lope, but may enter any class that does not require a canter or lope. An exhibitor that shows in Walk/Trot or Jog 11 and Over classes may show in classes requiring a canter or lope at a later show in that show season, but, once they do so, become ineligible to compete in Walk/Trot or Jog classes for the remainder of that show season. Eligibility to show in these Walk/Trot or Jog 11 and Over classes begins with each show season regardless of whether the exhibitor has previously shown in classes that require a canter or lope.
