- B. The prize money for these classes will come from 35% of the stallion auction funds and be divided between these two classes.

- E. Horses entered in the Scottsdale Signature Stallion Auction classes at the Scottsdale Arabian Horse Show **in 2027 & 2028** must be registered in the name of the competitor or a member of the competitor's family. Family is defined as including "husband, wife, parent, step-parent, child, brother, step-child, sister, half brother and sister, aunt, uncle, niece, nephew, grandmother, grandfather, grandchildren, and in-laws of the same relation as stated above." Combined ownership is not permitted unless all owners are members of the same family. Horses registered in a farm, ranch, syndicate, partnership or corporation name may only be shown in the Scottsdale Signature Stallion Auction class if the family is the sole owner of the farm or entity. "Owned" means, in addition to other legitimate methods of acquiring ownership, the bona fide legal ownership obtained for adequate consideration in reasonable relationship with the actual market value of the horse. For example, a \$5 payment for a Scottsdale Championship quality horse does not meet the required character of required ownership for competition in the Scottsdale Signature Stallion Auction classes. Additional information regarding ownership may be requested, prior to, or during the show. This may include proof of payment, paid board/training bills, veterinary bills or farrier bills. Failure to provide the information requested and/or proving bona fide legal ownership of the horse may result in disqualification (or may not be permitted to show).

- F. Designated Runners who are amateurs will be allowed in the SSS Auction Yearling classes only. Runners must have current USEF and AHA cards to be eligible to enter the class. Designated runners with amateur certifications will be allowed to run the horses into the ring for the owner in the SSS Auction classes, an amateur runner may only run one horse per class.
