

A promotional image for Zero Latency Abu Dhabi. It features three individuals wearing VR headsets and holding large, futuristic prop weapons. They are in a dark, industrial environment with blue and yellow lighting. The person on the left is a man in a blue shirt, the person in the center is a woman in a red jacket, and the person on the right is a man in a grey shirt. They are all looking forward with focused expressions. The background shows complex machinery and glowing blue lines.

Mind-Bending Fun

Escape into a fantastical ancient alien world, suspended above an ocean, where gravity does not function as expected. In fact, nothing is as expected in this world designed to test your ability to coordinate your mind and body.

Defy Gravity

Walk among flying whales and parrot rays and connect the platforms to progress through the game. Colourful characters and bright, friendly music accompany you on the journey.

Teamwork is key in this unique virtual reality game that lets you walk up and down ramps and twisty, curvy walls, defying gravity.

Welcome to Paradise at Rook Islands

As your group is captured and imprisoned by Vaas and his small army of henchmen, the goal is to make it out alive. Starving for entertainment, Vaas and his crew get a little bored and throw you out into paradise only to start hunting you for sport.

Your team's goal is to do whatever it takes to make it off the island. As your group travels across different environments and throughout the hidden depths of the tropical jungle, you come face-to-face with Vaas himself.

This brand new, 8-player, free-roam VR experience is the first of its kind in the world! You can find this Far Cry VR adventure exclusively at Zero Latency.

One Goal: Survive

When it comes to our free-roam VR games, Outbreak Origins is as real as it gets. This heart-pounding journey takes players through an epic battle of shooting zombies in all directions, and just wait until the epic boss battle finale to put your zombie survival skills to the test!

Zombies Are Taking Over

Deadly zombies are swarming in massive numbers. Can you stop them? In one of our most popular immersive multiplayer games, Outbreak Origins takes your team through abandoned cities on the way to find a cure. Restoring order won't be easy.

Spaceship Gone Dark

In one of our most futuristic free-roam VR games, Singularity puts your team in an abandoned, secret military space station. While the goal is to not die, you're also a part of a very important investigation. Will your team find the answers they need, or will this different world really show you who the authority is?

Equipped for Robot-Crushing Combat

Blast your way through the ground-dropping environment in a space battle like no other. Your team is equipped with four different blaster modes: scatter, beam, pulse rifle, and rail gun. For keeping killers at bay, you'll have a deployable force shield. Wait till you see what's hidden in the depths of this unworldly spacestation.

Player vs. Player Combat

Unlike other games, this interactive free-roam VR experience is the ultimate competitive battle. Teams are made up of two or more players as everyone dives into three diverse maps.

Universal Travel

In a free-roam VR environment like no other, Earth is gone. What's left of humanity is forced to venture out into the unknown, searching for new worlds and new wealth. As the aliens left behind Sol, everyone is on the same mission to find it, claim it, and use its resources to rule the universe.

Heart-Pounding Survival

Being the successor to Zombie Survival, one of the greatest VR experiences ever, Undead Arena takes zombie-killing to another level. This brand new, free-roam VR experience happens in an arcade-style format where zombie-blasting happens by the second. Wipe out massive hordes of zombies, team up with your buddies, and strategise your way to the other side!

Loads of Zombie-Zapping Features

As you're smashing through any zombie that comes your way, keep an eye on the leaderboards. This free-roam VR experience allows you to battle for the top score in your city and the entire world! To boost your score even higher, players can choose from a variety of zombie-blasting weapons.

Conquer the Fort

This free-roam VR experience puts your team in an apocalyptic survival fort. As soon as you're there, the zombies smell your blood. Defend the fort, use your resources, and strategise with your team to crush any zombie you see.

Zombie-Eliminating Assault

This free-roam VR experience equips your team with multiple weapons for zombie-smashing glory. Your primary gadgets include an assault rifle, pump-action shotgun, and sniper rifle. If things get too real, your top-level gear includes a heavy assault rifle and fully automatic minigun. Are you ready to smash some zombie brains?
