

Informed Citizens

Platform

For a Successful America

1. A Government that Represents Everyone

Informed voters who elect qualified and trustworthy leaders with integrity and honesty, the skills and experience for the role and responsibilities, and the wisdom required to find balanced solutions for the issues and opportunities facing America and the world who:

- Enact laws that are balanced for liberal and conservative views
- Enact laws that provide for a fair and efficient economy
- Provide physical, cyber, and economic security

2. An Economy that Benefits Everyone

Informed employees who require corporations to balance the interests of the upper class (shareholders) and the working class (employees and consumers) to achieve maximum economic fairness and efficiency with:

- A fair sharing of America's prosperity with the working class
- Quality products for consumers and social responsibility
- Sufficient, but not excessive returns for shareholders

3. A Society that Respects Everyone

Informed citizens and elected representatives who respect the rights of others who are different, or hold different beliefs on issues, and accept the need to balance those differences for the common good

- Trustworthy leaders who will do what's in the best interests of all citizens
- Trustworthy leaders who are honest, transparent, and respect others
- Trustworthy leaders who will result in honest and respectful citizens

4. Truth and Transparency

Information is the foundation of influence and income. Equal access to accurate and meaningful information is required for qualified and trustworthy leaders, and fair and efficient economies. Only a government agency like an Informed Citizens Commission can ensure accurate and meaningful economic and political information among all participants.

Voter Information Division

Ensure accurate and meaningful candidate information for voters so they elect qualified and trustworthy leaders who will enact:

- Campaign finance reforms that will result in elected representatives enacting legislation in the best interests of all citizens (eliminate big money donations)
- Election reforms that will result in elected representatives enacting legislation in the best interests of all citizens (eliminate partisan control of elections)
- Legislative procedure reforms that will result in elected representatives enacting legislation in the best interests of all citizens (eliminate partisan procedures)

Employee Information Division

Ensure accurate and meaningful corporate information for employees so they can choose corporations that balance the interests of the upper class (shareholders) and the working class (employees and consumers) to evolve to maximum economic fairness and efficiency with:

- Corporate goals that balance the interests of the employees, consumers, communities, and shareholders
- Corporate board representation that balances the interests of the employees, consumers, communities, and shareholders
- Management compensation that is tied to achieving goals that balance the interests of employees, consumers, communities, and shareholders (*eliminate management shareholder equity compensation because it prioritizes shareholder interests over the interests of employees, consumers, and communities*)

Citizens Research Services

Ensure accurate and meaningful information on key issues and guidelines for all citizens so they can appreciate the viewpoints of others and evolve into a society that respects everyone:

- Accurate and meaningful government issues and guidelines reporting for voters
- Accurate and meaningful business issues and guidelines reporting for employees
- Accurate and meaningful social issues and guidelines reporting for all citizens
