YOUTH LEADERSHIP ACADEMY AUSTRALIA
INSPIRING YOUNG LEADERS, IGNITING CHANGE

BRISBANE SECONDARY YOUTH LEADERSHIP CONFERENCE 2027

INFORMATION PACK

BRISBANE CITY HALL

WEDNESDAY 24TH MARCH 2027

THE EVENT

The Secondary Youth Leadership Conference is YLAA's flagship one-day event, inspiring students in Years 7–12 to lead, and equipping them with the skills and tools to do it well.

Across the day, students step into real leadership challenges that build confidence, communication and the ability to work through change. Every session is led by internationally-trained young facilitators, so students learn from people who have walked the path just ahead of them. They hear from student speakers, connect with young leaders from other schools, and leave with a practical toolkit they can put to work in their school and community straight away.

ABOUT YOUTH LEADERSHIP ACADEMY AUSTRALIA (YLAA)

Since 2018, we've positively impacted **65,000 young people** and supported **1,500 primary and secondary schools** across Australia.

YLAA is Australia's for-youth, by-youth school leadership provider. We're a youth-led, registered not-for-profit and DGR-registered charity. We deliver national conferences, tailor-made in-school programs, and youth work with councils and government.

Our approach is simple. We design *with* young people, not just for them. And we build change that lasts, well after the day ends.

Defining Leadership

Keynote 1: Self Leadership

The opening keynote focuses on leading yourself before you lead others, the foundation of effective leadership, and exploring the importance of character and integrity, before concluding with an open Q&A.

11:30 am **Skills for Success**

Students build practical and transferable skills, and apply them in real time through engaging, hands-on experiences that grow confidence and leadership.

Leading Forward

We explore what it means to lead through service to your school and community, making a purposeful and positive contribution. And then introduce LeaderUp, our post-event leadership program.
