LOUISIANA REFERENCE

Property Protection Endorsement Guide

Condensed from the reference material included with the prior registration packet.

IMPORTANT **All Property Protection firms must be located in Louisiana and the office must be fully operational.**

A firm must have a qualifier who lives within 150 miles of the firm being qualified.

LOCKSMITH ENDORSEMENT MAY COVER

Mechanical & Electronic Locking / Door Hardware • Door Hardware Consultant • Bank Locking • Special Locking • Detention Locking • Gate Systems Closed Circuit Television

1 Firm Application

- Submit a completed firm application in blue ink, signed by all owners/principals.
- Refer to Louisiana State Fire Marshal firm licensing requirements: sfm.dps.louisiana.gov/lic_packet.htm

2 Required Documentation

- Signed qualifier affidavit and copy of current qualifier certifications.
- General Liability and Workers Compensation insurance certificate as applicable. Prior packet states minimum GL coverage of $500,000 and requires the description "Life Safety & Property Protection."
- Copy of current/valid driver license; front and back if renewal sticker is on back.
- Fingerprint/background-check documentation for each owner/principal.
- Sample service tags; see Louisiana State Fire Marshal packet.

3 Firm Fee

- Prior packet lists a $250 company check/money order payable to the Office of State Fire Marshal.

4 Qualifier Requirements

- Qualifier must meet the minimum Technician or Specialist requirements for the endorsements requested.
- Accepted certifications listed in the prior packet include ALOA CLL, CRL, CPL, CAL or CML.
- Additional required courses listed: Fire Marshal Administrative Rules, Fire Marshal Plan Review, and Life Safety.

5 Employees

- All employees must be paid W-2 employees.
- Employee application in blue ink, digital photo, driver license copy, fee, fingerprint/background-check documents, and certification/training proof are listed in the prior packet.
- Prior packet lists a $100 employee fee payable to the Office of State Fire Marshal.
- Combine firm and employee fees into one check when applicable.

6 Technician Training / CE

- Prior packet lists several accepted technician training paths, including ALOA training/certification and other approved programs.
- Each employee must obtain eight (8) continuing education units per year.
- At least 50% of CE hours must come from categories 1, 3, 4, or 6 of the Approved Continuing Education courses and Methods List.

LOUISIANA STATE FIRE MARSHAL FIRM APPLICATION

https://www.lasfm.org/media/icph0ot5/wha-1-firm-application-lspp-4-22-25.pdf

Follow both the firm and employee checklists when submitting applications.
