Patient Information			
First Name Lily	Last Name Stratton	Date of Birth 07/07/2000	Gender Female
Note Section			
		✕ Adhesion ↻ Rotation ○ Pain ● Tender Joint ≡ Hypertonicity ≈ Spasm ⊖ Inflammation 9 Trigger Point / Elevation	
Lily has pain down her left arm following a volleyball injury. There are tender joints within the area surrounding the acromioclavicular joint. Slight inflammation, particularly around the C7 region, which may be due to how her resulting sleeping/resting position is. Mobility is restricted, with the patient finding significant pain when lifting her arm.			
Clinician Name Lucy Smith	Clinician Designation Dr	Clinician Signature 	Date 08/12/2022
