WEDDING COLLECTION

Five curated themes.
One unforgettable day.

AQUA

A wedding inspired by
sea breezes and ocean light.

WEDDING COLLECTION

AQUA

Let the sea set the tone for your perfect day.

Breezy and serene, the Aqua wedding theme is inspired by the soft shimmer of ocean light and the calm rhythm of the tide. White and blue draping billows in the wind, framing a ceremony as vibrant and natural as the Bahamian sea.

From the soft hydrangeas and ivory roses in your bouquet to the crisp navy accents and sky-hued cake, every detail flows in harmony. Whether you prefer a simple ceremony or a fully tailored celebration, Aqua is the perfect way to say “I do” in signature island style.

Package inclusions and pricing are fixed and cannot be altered or exchanged.

FLORA

A celebration rooted in nature's beauty.

Surround your “I do” moment with the fresh elegance of island botanicals. The Flora wedding theme is inspired by soft greens, creamy florals, and natural textures, offering an airy, organic atmosphere that feels timeless and beautifully grounded.

With river rock accents, chartreuse orchids, and delicate draping, every detail is designed to honor the natural world while elevating your celebration. Whether you keep it simple or enhance your day with lush floral upgrades, Flora is ideal for couples seeking a serene and stylish connection to the island itself.

Package inclusions and pricing are fixed and cannot be altered or exchanged.
