Honouring **Kevin Ford**

Former President and CEO, Calian

The North Star Award

The North Star Award Gala Dinner, organized by the Policy Insights Forum (PIF), celebrates the remarkable achievements of an outstanding Canadian who has significantly impacted Canada and its people through their work and career. The event aims to honour individuals who have made meaningful contributions to Canada and to the world.

This year, we are honoured to recognize Mr. **Kevin Ford**, a distinguished leader in the defence and security sector. Mr. Ford served as the President and Chief Executive Officer of Calian Group Ltd., where he played a pivotal role in guiding the company through a period of unprecedented growth.

Proceeds from the Gala will support the event and fund the establishment of an internship in the Canadian defence sector in the name of the North Star Award Recipient, Mr. Ford. The PIF will administer and guide this internship, and Mr. Ford will be invited to mentor the selected intern. This initiative ensures that his legacy continues to inspire future leaders dedicated to corporate service and Canada's economic development.

The Gala serves as a platform to emphasize the importance of service to Canada and its citizens, inspiring individuals to engage in Canada's public interests, be they in government, the military, the public service, not-for-profits, academia, or business throughout the world.
