## Invest in Your Team, Invest in Success.

Your RecovR System is Powerful.  
Is Your Team Fully Equipped to Use It?

The RecovR system offers incredible benefits for lot management, security, and F&I revenue. But its true potential is only unlocked when your staff are confident and knowledgeable.

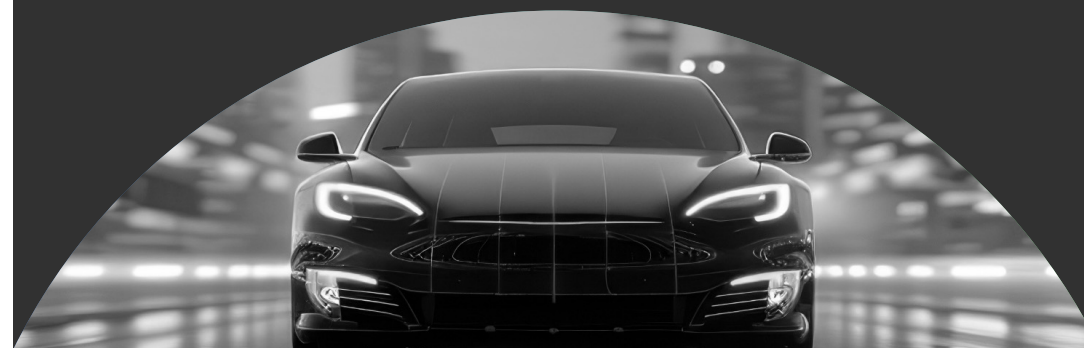

## Introducing RecovRGO

## Why RecovR GO? Supercharge Your RecovR Investment.

Maximize Your RecovR ROI  
with RecovR GO:

- **Boost RecovR Sales & F&I:**  
Equip your sales and F&I managers with the skills and product knowledge to effectively present RecovR's value, driving higher penetration rates and *increasing PVR*.
- **Master Lot Management:**  
Train your operations staff to leverage all of RecovR's inventory management features, saving time, improving accuracy, and streamlining daily tasks.
- **Optimize Theft Recovery Processes:**  
Ensure your team understands how to utilize RecovR for swift vehicle recovery, minimizing potential losses and operational disruption.
- **Enhance Customer Satisfaction:**  
Knowledgeable staff can confidently answer customer questions and demonstrate RecovR's benefits, leading to greater trust and higher CSI.
- **Standardize Expertise:**  
Provide consistent, up-to-date training across your entire dealership, ensuring everyone operates with the same high level of RecovR proficiency.
- **Accelerate Onboarding:**  
Get new hires up to speed quickly and effectively on the RecovR system, reducing downtime and improving productivity.
