

2023 Communication to Suppliers  
**General Motors 4<sup>th</sup> Annual Energy Symposium:  
Powering the Future Together**

Dear Valued Supplier,

You and your team are invited to the GM 4th Annual [Energy Symposium: Powering the Future Together!](#) This virtual event will take place live on **Thursday, November 16<sup>th</sup> from 9:00am – 1:30pm ET.**

This year's topic will highlight innovative solutions around **energy optimization, clean energy generation and storage, and project financing.** Speakers from GM, DoE, CEBA, Ambient Fuels, Edison Energy, and Forvia will provide a holistic perspective on today's most pressing energy needs.

We highly encourage that you participate in this event. No registration necessary!

Mark your calendar and see the attached flyer on how to join.

Thank you for your support and continued efforts.
