

PROTECTIVE PACKAGING

This or that?

Less Mess, Less Fuss

Just **one roll** of our Air Cushions replaces **six bags of Peanuts**, streamlining your inventory and cutting costs.

Will you choose peanuts?

Difficult for customers to recycle

6 bags of peanuts

Inefficient storage

Unpleasant unboxing

4 more delivery vehicles and CO2

Shock transfer to fragile goods

Higher damages.
Higher returns

Higher remanufacturing.
Lower customer satisfaction

Or Air Cushions & film?

Recyclable material. Easy for customers

1 roll of air cushion film

Less storage space

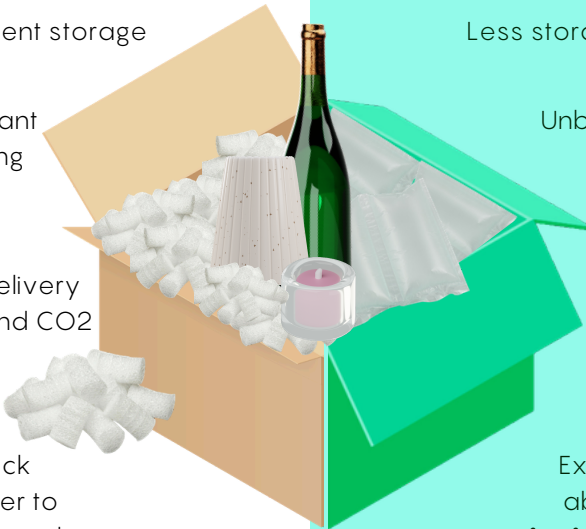

Unbox without mess

4 fewer delivery vehicles and CO2

Exceptional absorption for fragile goods

Up to 30% fewer damages and returns

Reduced remanufacturing.
Happier customers
