

New Feature *Scheduled Payments* is now live

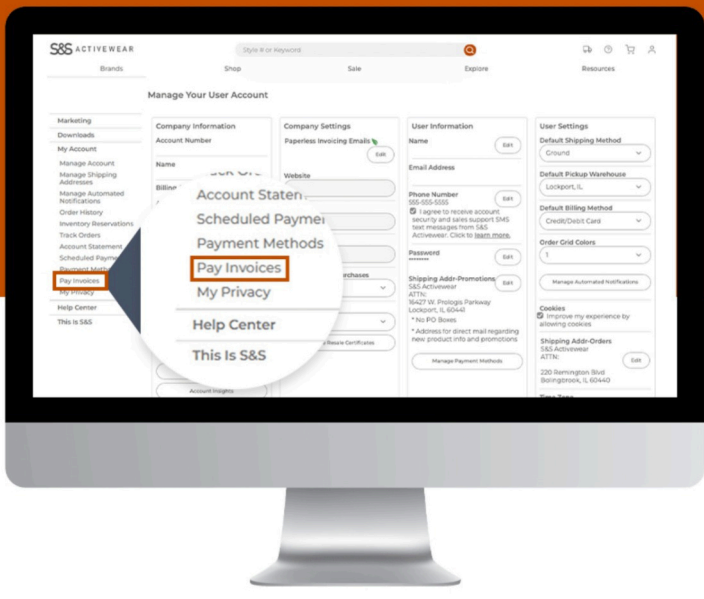

Your wish for scheduled payments has been granted!

One of your biggest requests has been for a way to schedule invoice payments online. Now, that new feature is live and ready for all customers on credit terms to use at ssactivewear.com.

Check out how easy it is below:

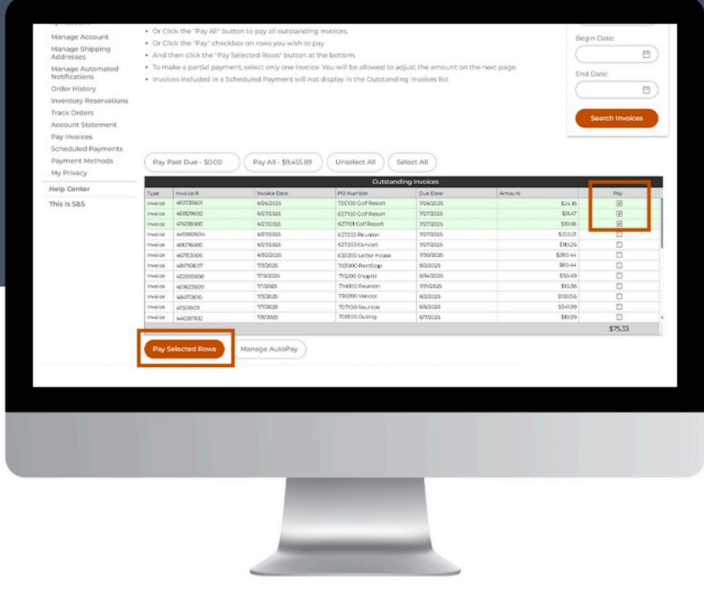

Step One

Navigate to **My Account**, then choose **Pay Invoices**.

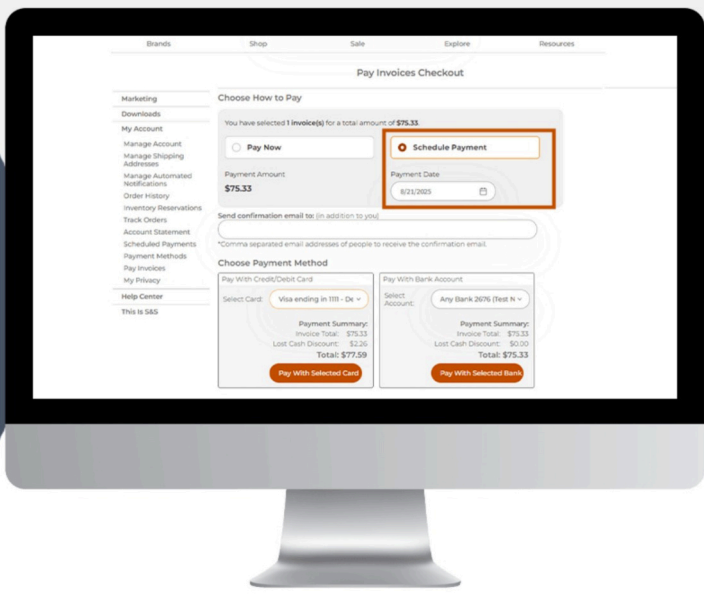

Step Two

Select all the invoices you'd like to schedule a payment for and click **Pay Selected Rows**.

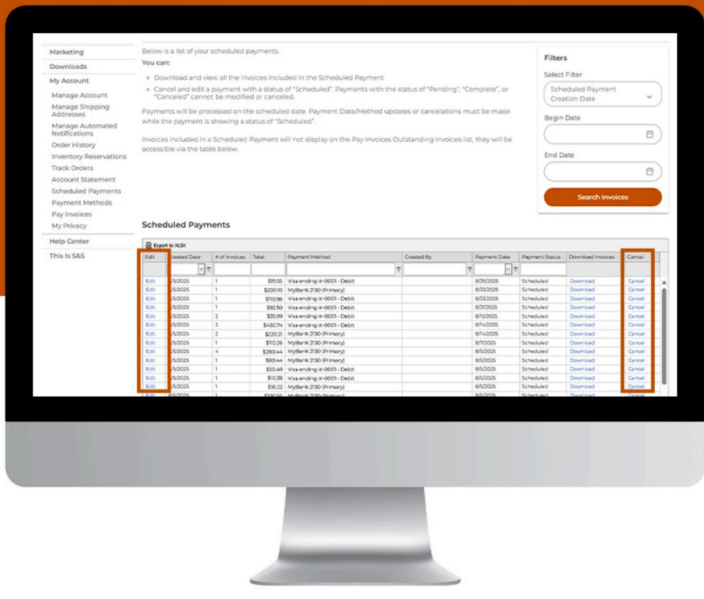

Step Three

Then, select the **Schedule Payment** option and choose a date, **up to 60 days in advance**, you'd like the payment to be made. Confirm your payment method and you're all set!

Step Four

Your upcoming payment will now be viewable on the "Scheduled Payments" page, accessible from the left navigation. Here you'll be able to **edit** or **cancel** your payments **up to 24 hours before the payment date**.

To learn more about our new Scheduled Payments feature, visit our [FAQs](#) page.
