SWINLEY FOREST A SPECIAL PLACE

We return to Swinley Forest year after year for good reason. A firm favourite among Mint Green clients, it remains a truly special place to visit. An invitation to Swinley Forest is seldom declined, making it the ideal setting for hosting your most valued guests.

If you haven't been to Swinley before, the club's understated, old-world charm is complemented by 18 holes of world-class heathland golf.

Harry Colt famously described the course as his "*least bad*" creation which, for those who know the roll-call of his designs, says it all.

As is traditional at the club, golf will be followed by the formidable carvery lunch in the Tudor-style clubhouse.

It's a joy from start to finish and we hope you can join us there.

EVENT HOST

Di Stewart will be familiar to many as a regular host on Sky Sports' Golf Night and Sky Sports News, and as a fixture at Mint Greens events. A professional host of the highest calibre, Di brings her own unique blend of warmth and (irreverent!) humour to the day.

2026 EVENT PARTNERS

Peter Millar is Mint Greens' principal apparel partner. Their line of versatile performance wear is renowned for its high quality, ideal for event gifting and team wear.

G/FORE are our preferred footwear partner and a go-to brand for modern golf apparel design. G/FORE shoe fitting experiences are an incredibly popular addition to events.

Stitch have quickly established themselves as a household name in UK pro shops, known for top class golf bags, luggage and apparel, all of which make well received golf day prizes.

Introduced as a new partner for the 2025 season, YETI products were an instant hit with Mint Greens clients, most notably their ultra durable drinkware which carries logos brilliantly for golf day giveaways.

The best ball in golf, Titleist Pro V1 is the official ball of Mint Greens and our clients and we're proud to partner with Titleist to support our events series in 2026.

Bushnell sets the standard for industry leading technology, from rangefinders to GPS products. A long standing partner of Mint Greens, we're thrilled to have Bushnell supporting our events series once again in 2026.

It was a natural step for Mint Greens to partner with a wine supplier to bolster prize table offerings, and the team at Wine & Earth have offered a first-class service, providing sustainable wines from small producers across the globe.

A new addition to our portfolio for 2025, we work with FootJoy across their golf apparel and accessories ranges - branded FootJoy gloves have proved an especially popular addition to our portfolio.
