

Dedicated to the pursuit of truth, wisdom, and virtue as the primary and prescriptive ends of education in the Catholic tradition, Kolbe Academy aids students in acquiring the skills of the liberal arts, assists in forming classically-educated students to develop a mature intellect, and cultivates openness to the call of holiness.

SCHOOL PROFILE 2026-2027

Kolbe Academy, started in 1980, provides a classical education for grades K–12. It has been successfully preparing its students for higher education and vocational pursuits for the past four decades. Kolbe Academy is fully accredited by Cognia, the parent organization for NCA CASI, SACS CASI, and NWAC; and by the National Association of Private Catholic and Independent Schools (NAPCIS).

Kolbe Academy students can take either live online courses or traditional distance courses. In the live online courses, the teacher is responsible for the assignment of all grades. In the traditional distance courses, the parent facilitates coursework at home that is then submitted to our advising staff, who serve as the teacher of record. In verifying the grades of students who have taken traditional courses, we rely heavily on the quality of the written assignments submitted for review, the consistency of grades as compared to standardized test scores, and personal information about the student submitted by the parents.

GRADING SCALE

We do not rank or stratify our students by GPA or by class. GPA is calculated on both a weighted 4.0 scale in which honors, AP and college courses received 5 points, and on an un-weighted 4.0 scale. The following profile is based on data from seniors who requested diplomas and answered our exit survey:

- 62% attending 4-year colleges or universities
- 13% attending 2-year colleges or technical schools
- Median CLT was: 89
- Median ACT composite was: 28
- Median SAT scores were:
 - ERW: 680
