

I CONNECTED STORIES

*Spin through space to explore new worlds of content!
Allow your visitors to make their own connections, forge their own paths, and start their own journey of discovery with CSI. Customizable to fit your story and your brand, CSI offers an engaging interactive experience for any institution.*

Current clients are using CSI in their galleries to:

- Explore the history of a town, place, or county through thematic eras
- Uncover multiple works of a prolific artist
- Showcase collections that are currently not on display

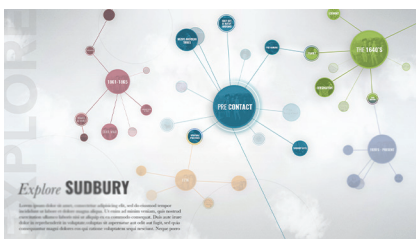

Through its unique interface which showcases client-determined connections, CSI encourages visitors to explore at their own pace and spend as much time as they want with your content.

FEATURES

- Displays up to 6 major themes
- Up to 10 subthemes are embedded within each theme
- Each subtheme includes multiple storylines
- Each storyline contains images, video, and audio
- Branded to your institution via colors, text, and backgrounds
- Easy-to-use content management system
- Full-screen images
- 2 year warranty and tech support

AVAILABLE UPON REQUEST FOR AN ADDITIONAL COST:

- Touchless interface options
- Multiple languages
- Search functionality

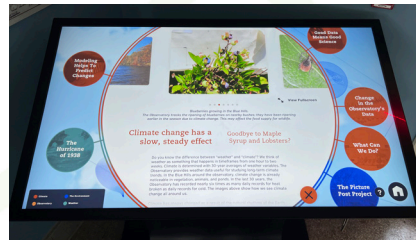

Sudbury Historical Society to use CSI to explore the history of their town.

The Remington Art Museum is using CSI to showcase the life and times of the prolific artist Sally James Farnham.
