

## SPIN-DOWN™ & SAND SEPERATOR™ FILTRATION SYSTEM STAINLESS STEEL ELEMENTS

### STAINLESS STEEL MESH ELEMENTS

Stainless steel mesh is a durable material perfect for applications using higher water temperatures or abrasive materials.

#### SPECIFICATIONS

FLOW RATE	Up to 150 GPM
MAXIMUM OPERATING PRESSURE	Up to 150 PSI
MAXIMUM OPERATING TEMPERATURE	120°F / 50°C
MICRON RATING	15 - 500 µm

#### STAINLESS MESH SIZES

MESH	MICRONS
30	533
60	254
100	152
140	104
200	74
250	61
500	30
1000	15

Micron sizes are approximate.

1000 MESH

#### FEATURES & USES

- ▶ High temperature resistance
- ▶ High durability and versatility
- ▶ Washable and reusable
- ▶ Anti-corrosive properties
- ▶ Helps prevent sticky sediment from clinging to the mesh
- ▶ For use with residential and light commercial water supplies with abrasive sediment
- ▶ All the standard VuFlow Spin-Down™ features available with full units, including: clear cover, centrifuge separation, purge outlet, and glue up installation
- ▶ Available in high flow 1", 1½", & 2" Spin-Down™ and Sediment Trapper™ style models
- ▶ Available mesh sizes: 30, 60, 100, 140, 200, 250, 500, and 1,000

## PERFORATED STAINLESS STEEL HEAVY-DUTY ELEMENTS

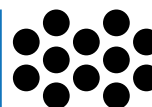

The heavy duty stainless steel perforated filter element is super durable and perfect for higher temperatures and very coarse or rocky abrasive particles.

### STAINLESS MESH SIZES

.033

### FEATURES & USES

- ▶ Available in high flow 1", 1½", & 2" Spin-Down™ style models
- ▶ Available perforated opening sizes: .033", .046", .063" and .156"
- ▶ All the standard VuFlow Spin-Down™ features available with full units, including: clear cover, centrifuge separation, purge outlet, and glue up installation
- ▶ The ultimate in screen element durability
- ▶ Ideal for irrigation from surface water sources
- ▶ Removes abrasive sediment from domestic or commercial water supplies

Vu-Flow is a leading manufacturer of high quality, efficient, water sediment filtration products and accessories. Vu-Flow filters are available throughout the United States and in many major international locations. We strive to always exceed our customers' expectation of quality and service, and to provide the most effective solutions.
