HOME SHOULD BE YOUR HAVEN. YOUR PERSONAL SANCTUARY...

At Advance, we believe your home should be a space that works for you and your lifestyle. Why not make every moment there more comfortable, connected, and effortless?

As Manitoba's trusted smart home automation and residential technology experts, we proudly serve all areas of the province. Whether you're a city dweller, enjoying the quiet life out in the country, or escaping to the lake, we create intelligent systems designed to simplify everyday life and elevate how you experience the comforts of home.

Let's face it, if home is your haven, it shouldn't feel like work.

Imagine driving up a well-lit driveway, the perfect temperature inside, your favourite music playing, and the lights welcoming you inside. No matter where you are, virtually every electronic system can be seamlessly connected and controlled - from anywhere.

With thoughtfully designed automation solutions, your home responds to you and

your needs, enhancing comfort, convenience, security, and peace of mind. Because true home automation isn't just about technology, it's about creating a lifestyle that feels effortless.

From prewire planning during construction to fully integrated smart home systems, we provide expert design, professional installation, and dedicated ongoing support. Our team ensures every detail works beautifully behind the scenes.

BECAUSE GOOD DESIGN IS IN THE DETAILS YOU DON'T SEE.

ADVANCE YOUR LIFESTYLE WITH

LIGHTING • AUDIO • SECURITY • CLIMATE • ENTERTAINMENT • SHADES • SURVEILLANCE • ACCESS CONTROL
