

Dominion Stage Announces Director Selection for 77th Season!

To celebrate our 2026-2027 season, we invite directors to submit director proposals for plays and musicals of their choice for Dominion Stage's consideration. We encourage directors to keep in mind Dominion's style and preference for out-of-the-box shows.

Mission Statement: "Dominion Stage will enrich the local arts community by expressing, through live theatrical productions, the different contemporary, traditional, diverse, and historically under-represented stories in our community. Our company will provide an inclusive place for new and continued education and personal development for participants on the stage, in technical roles, and as leaders/administrators behind the scenes."

We are looking for 3 shows this season that meet Dominion Stage's mission statement.

1. Shakespeare
2. Contemporary play
3. Musical

In addition, we are looking to find talented directors who are interested in directing the fully staged production of our winning Playwright Competition full-length show, as well as the staged reading(s) of the winning one-acts.

All shows will be in Theatre On The Run (3700 S Four Mile Run Dr), a small black box theatre with minimal wing space. Specs for the theatre are available upon request. Due to space, we are limiting the musical orchestration size to 5 musicians.

If you are submitting more than one proposal, please rank your show preferences, and submit all proposals in the same email.
