Originally owned by William and Anastasia Thornley, The Exchange has been operating since 1871..

After it was totally demolished by fire in 1905, the Exchange Hotel was rebuilt from Jarrah, shipped from Western Australia amongst other materials that were considered the finest of the time.

This state of the art hotel re-opened on the 20th of May 1907.  
Sadly Anastasia passed only months after the reopening, although locals say she still resides in the hotel.
