Denahy stated In 2026 Inspiration Field will celebrate our 60 th anniversary of providing services in Bent, Crowley and Otero Counties. We have seen many system changes throughout our nearly 60 years but the one consistent part of our services is the many individuals who have selected Inspiration Field to be their service provider. The individuals in service are the sole reason Inspiration Field continues to provide high quality services throughout the Arkansas Valley for all of these years. We recently had a parent of an individual say that it would be nice to recognize the individuals for their years in our services, and we thought that was a great idea. We currently provide services to 71 adults. Of those 71 adults, we have 41 individuals who have been coming to Inspiration Field for over 20 years. Five of the individuals have been in service over fifty years! That is a great example of longevity and loyalty to the services we provide. At this time, he asked any individuals in services who are here tonight that would like to be recognized, to please stand up and hand out certificates of appreciation for their many years of service with Inspiration Field.
