**We've seen firsthand the transformative impact
global conferences can have for companies
looking to expand into new markets**

The most effective way to truly understand these markets is to experience them on the ground

Join ANDHealth for our proven framework for supporting companies as they enter international markets. Our program runs twice a year: to the UK and Europe in June/July and to the USA in October/November.

This year, we're taking a bold new approach. Packed with curated meetings, hands-on workshops, and both private and public events, these delegations will fully immerse you in the health tech startup and innovation ecosystem, providing unparalleled exposure and connections.

Our 2026 Delegations

UK & EU

8 – 18 June

USA

11 – 18 November

A group of five people (three women and two men) are smiling and posing for a photo at what appears to be a conference or exhibition. They are wearing lanyards with badges. The background is slightly blurred, showing other people and structures. A large teal overlay covers the entire image, and a white quote is centered over it.

“Joining the ANDHealth Australia pavilion provided us with a number of opportunities to connect with key decision makers within the European and UK digital health sector and allowed us to gain further exposure in the European healthcare market.”

Our International Delegations have been running since 2019, bringing together more than 240 participants from across Australia and achieving an impressive average NPS of 84

We support companies by providing:

Global brand exposure on an international stage

Expanded international networks, connecting you with senior industry leaders and key stakeholders

Thought leadership opportunities and insights into global market dynamics

Access to exclusive events and activities, offered either complimentary or at heavily discounted rates

Our transformative impact

Our 2025 USA delegation achieved an outstanding **NPS of 100**, with exceptional outcomes for all participants:

- ✓ **100%** of participants made **valuable business** connections – ranging from 1–5 to 6–10 contacts – with an **estimated value of \$500K–\$2M**. These included organisations such as **Google Health, major US healthcare systems, venture capital firms and clinical opinion leaders**
- ✓ **100%** reported an **increased understanding of the US market**, including compliance and regulatory standards required for market entry
- ✓ **100%** said they would **join future delegations** with ANDHealth
- ✓ **100%** agreed that participating as part of the **ANDHealth delegation provided significantly greater value** than attending independently

Why join us?

- ✓ **Grow your brand recognition in competitive markets**
- ✓ **Connect and engage with influential decision-makers, policymakers, payers, healthcare providers, employers, investors, startups, innovation centres, and pharma, biotech and life sciences executives**
- ✓ **Gain insights on navigating global markets and expansion, with access to specialised knowledge and resources**
- ✓ **Network with fellow delegates from Australia and around the world**
- ✓ **Receive comprehensive on-the-ground support and facilitation from ANDHealth, including being part of a large delegation**
- ✓ **Be invited to additional networking opportunities facilitated by ANDHealth with companies, industry experts and sponsors**

Powerhouse global experts and partners

ANDHealth delegation partners, sponsors and expert speakers

The background image shows a busy conference floor. In the foreground, a woman in a dark dress is looking at a tablet. Behind her, another woman in a light-colored top is also looking at a device. To the right, a man in a suit is standing near a booth. The background is filled with various signs and banners, including "Art Gallery" with a downward arrow, "Pro", "Data Transformation & Governance", "AUS", "AUSTRALIA", "ANDH", "Microsoft", and "Takeda".

“ Being part of the ANDHealth delegation fundamentally changed the trajectory of my company. Exhibiting on the conference floor with the other amazing delegates, under the Australian signage, validated our offering in the market, in a timeframe we would have been unable to achieve with our previous market entry strategy.”

Who should join us?

Digital Health Startups & Scaleups

Australian companies looking to expand into the UK, Europe or the USA, or those already in these markets seeking to reconnect with existing stakeholders and forge new strategic connections

Ecosystem Leaders

Australian community leaders, service providers and policymakers eager to learn about and from the world's most successful health tech innovation ecosystems

Taking Australian innovation to the world

ANDHealth delegation attendees

A group of people, mostly women, are standing behind a booth at a conference. The booth has a large blue backdrop with the ANDHealth logo and the word 'AUSTRALIA'. Above the group, a sign reads 'Global Health Connector Village'. The people are smiling and some are waving. The background shows other conference booths and a large hall.

“ Participating in the HLTH conference as part of the ANDHealth Australian delegation accelerated both our customer acquisition and investment pipeline in the USA. We were able to showcase our platform to some of the biggest strategic partners in healthcare with great interest expressed.”
