At Nussbaum Group, we make projects run smoothly by collaborating with clients and project team members to construct and organically maintain the most exceptional landscapes in the Pacific Northwest. Through our process, The Nussbaum Way, we continually seek to redefine Landscape Construction and Organic Landscape Maintenance by proactively addressing every need of the site. We are committed to sustainable processes and use only 100% organic materials and the best horticultural methods in our maintenance work. **COLLABORATION.QUALITY.SUCCESS.** is not just a tag line for us, but instead a guide to achieve success in the realization of our client's design concept into perpetuity.

Signature Landscape Services, Inc. - a Monarch Company
Account Manager
April 2015 - October 2017 (2 years 7 months)
Greater Seattle Area

Signature Landscape Services provides full-service landscape maintenance for commercial, multi-family, industrial & municipal properties. Our work is tailored to match the needs of your site through pro-active attention and clear, consistent communication that goes far beyond the typical. Our employees make the difference with confidence and ability that comes from an education, training and certification program that is un-matched in the Pacific Northwest. Trusting your landscaping needs to us is a safe decision that will enhance your property, your image and your bottom line.

Mariani Landscape

Client Representative

May 2007 - August 2014 (7 years 4 months)

Our mission is to create and maintain unique, quality environments for the benefit of our clients and community. Whether a cozy garden in the city, a large estate or a healing garden, our work improves people's lives by extending living space outdoors.

I primarily serve as a Client Representative in Winnetka, Glenview, Northbrook, and Northfield areas.
