Section 3. Background:

The Lake Champlain – Lake George Regional Planning Board (LCLGRP), the federally designated Economic Development District for Clinton, Essex, Hamilton, Warren, and Washington Counties of New York State, is seeking proposals from qualified firms to provide data collection and analysis, GIS, planning and feasibility analyses, mobile coverage map detail, and engineering services to the LCLGRP on an as-needed basis to enhance the LCLGRP's activities within the realm of mobile wireless connectivity.

The LCLGRP recently completed a comprehensive drive test of approximately 8,000 miles of roadway within the five-county region. LCLGRP also recently purchased Ookla data for the same area. This information is to be utilized to identify how to best expand wireless coverage throughout the region.

Section 4. Scope of Services:

The selected proposer will be the On-Call Mobile Wireless Data, Planning, GIS, and Engineering Consultant to LCLGRP whose duties shall include data collection and analysis, RF coverage maps, review of the various mobile technologies and related coverages, an understanding of both macro and micro cell technology and the ability to demonstrate when each is preferred, planning and feasibility analyses (including land use), and GIS assistance and engineering services (including radio frequency engineering). This work will be contracted on an as-needed basis to enhance and support the LCLGRP's activities and to assist with the implementation and execution of ongoing mobile wireless projects and programs throughout the region.

The LCLGRP may use this agreement and assign work either in cooperation with area municipalities for selected projects or to assist LCLGRP staff with various mobile wireless related projects, planning, and programming. The LCLGRP allows themselves to award to one or more firms, based on best value, depending on how qualified one or another might be for a certain type of project. Consultants are cautioned that no minimum amount of services will be required under this contract, and there is no minimum guaranteed amount of work hereunder. The Consultant will be assigned discreet work tasks through a written request from the LCLGRP Executive Director detailing the nature and timeline for the work to be performed. The Consultant is then expected to provide a Scope of Services agreement with cost for signature before any services are rendered.

The agreement will establish an hourly rate schedule for services based upon assigned staff.

4.1 Duration of Services

The duration of the contract will be for a term of two (2) years with an optional renew clause for another two (2) years. These projects are state and federally funded and will be subject to the certifications and conditions thereby required.

At all times the LCLGRP reserves the right to terminate the agreement upon thirty (30) days written notice to the Consultant, or in the event of non-performance, immediately terminate.

4.2 When responding to this request, please send appropriate information, such as resumes, description of your company and experience which must include the following information:

- a. Description of firm/staff qualifications, including resumes and experience, and affirmation of staff capacity. Include the education of each person that will work on any of the on-call projects and information concerning membership in professional organizations relevant to this project. At least one primary staff contact should be identified as a project manager for all assigned work. The proposed project manager should be experienced with planning and engineering mobile wireless coverage.
- b. List of three references and description of related work completed.
- c. Itemized cost proposals must include the title and hourly rate for any proposed staff, as well as any anticipated indirect and/or out-of-pocket expenses.
- d. Applicants are encouraged to emphasize their relevant area of expertise within their respective proposals. Specifically, the LCLGRP is looking for a firm that is knowledgeable in the status of and need for mobile wireless coverage in this region of New York State, methods to engage local governments in mapping and planning activities, methods to engage the federal and New York State government on behalf of the region, ability to provide GIS assistance to county and local governments, ability to conduct feasibility studies, thorough knowledge of publicly owned fiber networks, and ability to plan for and engineer macro and micro mobile wireless coverage buildouts within the region. Experience working on projects within the Adirondack Park and knowledge of the Adirondack Park Agency permitting requirements for wireless is a plus.
- e. LCLGRP staff will be looking for relevant, unique, or diverse skills as part of the selection process.
- f. Demonstration of meaningful DBE/MBE/WBE/SDVOB participation will also yield a competitive advantage for applicants during the selection process.
- g. Cost and past performance will be considered, along with any other qualifications as determined by the LCLGRP.

4.2 Safeguarding of Confidential Information - Any trade secrets or other data which the proposer does not wish disclosed to other than LCLGRP representatives involved in RFP evaluation or contract administration will be kept confidential if identified as follows: Each page shall be identified in boldface at the top and bottom as "Confidential"; and any section of the proposal, which is to remain confidential, should, in addition, be so marked in boldface on the title page of that section. Net cost information may not be deemed confidential.

4.3 License to Practice in New York State – As necessary, an affirmative statement should be included that the firm and all assigned key professional staff are properly licensed to practice in New York State.

4.4 Certification of DBE/MBE/WBE/SDVOB Status – An affirmative statement should be included from all firms claiming to meet DBE/MBE/WBE/SDVOB status that the entity is properly registered as such in New York State

and provide copies of certificates as part of the bid package (certifications issued by New York City do not count towards MWBE goals). Only MWBE firms active in the New York State Contract System will be considered MWBE certified.

Section 5. RFP General Terms and Conditions:

- A. The Consultant selected shall be required to furnish an engagement letter and/or execute an agreement. The terms of such engagement letter or agreement is subject to discussion and agreement but is anticipated to include the following:

The successful Contractor shall indemnify and hold harmless the LCLGRP, their officers, directors, agents and employees from, and against any and all claims, notices of claim, demands or causes of action for injury or death to any person, including Contractor's employees or damage to property (including all costs and reasonable attorney's fees incurred in defending any claim, demand or cause of action), arising, directly or indirectly, out of or resulting from, the performance of the Contractor's work or any negligent or wrongful acts, errors, omissions, negligence, incompetence, malfeasance and misfeasance by the Contractor, its employees, agents, materialmen, suppliers and/or subcontractors in the performance of its obligations under the agreement. The LCLGRP and the Contractor shall notify each other in writing within thirty (30) days of any such claims or demands and shall cooperate in the defense of any such actions. If this indemnity, or any part thereof, is made void or otherwise impaired by any law

controlling construction thereof, such indemnity shall be deemed to conform to the indemnity permitted by law, so as to require indemnification in whole or in part to the fullest extent permitted by law.

7. A provision requiring the Contractor to assume sole responsibility for completing services as requested and the Contractor may not assign the work to be performed without the consent of the LCLGRP, which consent shall rest in the sole discretion of the LCLGRP.
 8. A provision providing that the Contractor shall not be deemed an agent of the LCLGRP for any purpose whatsoever.
 9. Inclusion of such other terms and conditions that may be required pursuant to Federal or State Law, Regulation and/or by the LCLGRP Attorney.
- B. Please note that retention of services by reason of this RFP is not certain. The right to reject any and all proposals, solicit new or additional proposals or perform some or all of the services in-house or by using services available from professionals currently under contract are retained at all times, even after proposals have been reviewed and considered.
- C. Additional information, interviews and/or presentations may be required at the option of LCLGRP. In no event shall the LCLGRP, its Boards, Officers and employees be liable for any costs incurred for the preparation of and participation in the submission of responses to this request or subsequent interviews of persons or companies.
- D. It is the Contractor's sole responsibility to be familiar with and understand all terms and conditions regarding the RFP before the opening. Any questions should be submitted in writing to the contact person listed above and, if relevant, should cite the section and page number of the RFP document relating to the question raised by the Contractor. Please be advised that LCLGRP shall not be bound by any verbal response by any LCLGRP employee which is not confirmed in writing.
- E. LCLGRP reserves the right to waive or modify minor irregularities in proposals received, utilize any and all ideas submitted in the proposals unless those ideas are covered by legal patent or proprietary rights and generally adapt any or all of the proposal in developing contract language. With regard to legal patent or proprietary rights, it shall be incumbent upon the party furnishing the proposal to notify the LCLGRP of such.
- F. Nothing contained herein shall be deemed an offer by the LCLGRP or be interpreted as making a representation or giving any assurances that a contract may be entered into or that LCLGRP is in some fashion obligated. Should LCLGRP be unsuccessful in negotiating a contract with the Contractor within the time frame acceptable to LCLGRP, the LCLGRP may begin contract negotiations with another Contractor responding to the RFP, reject all RFPs, re-advertise, or take such other action as may be deemed appropriate.
- G. Proposals will not be returned once submitted, and the LCLGRP may dispose of the same in any manner allowed under law.
- H. Submission of the proposal to LCLGRP shall be deemed consent for the proposals to be publicly identified, and information contained therein shall be deemed a matter of public record unless

In order to designate information as confidential, the Contractor submitting the proposal must highlight the information and inform the LCLGRP of its desire to keep that information confidential in a letter transmitting the proposal. Whether the information designated by the Contractor is allowed to be kept confidential pursuant to New York State Laws shall be determined by the Director upon consultation with the LCLGRP Attorney and notice of such determination shall be made to the Provider prior to the release of the information to afford the service provider an opportunity to appeal the decision.

- I. LCLGRP reserves the right to make any investigation deemed necessary to determine Contractor qualifications and responsibility. The Contractor shall furnish to the LCLGRP, upon request, all data pertinent thereto.

In addition, the Contractor further warrants that it has become sufficiently acquainted with the conditions, facts, and circumstances relating to providing the requested services. Failure or omission of the Contractor to adequately acquaint itself with existing conditions, facts and circumstances shall not in any way relieve it of any obligations with respect to this RFP.
- K. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of an individual's age, race, creed, color, national origin, gender identity or expression, sexual orientation, military status, sex, disability, predisposing genetic characteristics, marital status or domestic violence victim status.
