LCLGRPB-08-25 On-Call Data, Planning, and Engineering Services

Question and Answer

November 13, 2025

Q: Are there any projects anticipated in the next year for LCLGRPB that should be considered specifically in proposals?

A: No. Respondents shall provide services available, skills, and cost rate as part of this on-call RFP.

Q: Can you please provide examples of work done under this contract in the past, or identify some of the projects the LCLGRPB anticipates taking on under this on-call opportunity?

A: Past projects include assistance with buildout analyses, project cost proposals, feasibility studies, and streetscape redevelopment renderings. As stated in the RFP in Section 3 of the RFP “no minimum amount of services shall be required under this contract, and there is no minimum guaranteed amount of work hereunder.” Please provide information on all available skill sets within the response.
