At the Des Plaines Chamber of Commerce, we offer the essential tools for your business to excel. As one of the largest non-regional chambers in the region, our members benefit from exceptional opportunities to enhance their business. Our programs will equip you with the latest strategies and practices for effectively managing and promoting your enterprise.

You'll gain increased visibility in the community, be featured on our website, and enjoy numerous additional benefits. Most importantly, you'll connect with a network of like-minded professionals who support each other in elevating their businesses to new heights.

EVENTS AND EDUCATIONAL OPPORTUNITIES

Our membership tells us that networking is one of the most valuable services we offer. People are more likely to do business with & refer business to people that they know and trust. We create these opportunities for you through our monthly networking events, networking groups and personal referrals. Members and their employees have the opportunity to generate contacts and obtain solid business leads.
