

# WARRAMATE

2024

PINOT NOIR

YARRA VALLEY

ALC: 13.5%

VINEYARD: WARRAMATE, ELEVATION 160 TO 180 METRES  
PRODUCED BY: YARRA YERING

---

## VINES

A blend of four Pinot blocks; 60% Yarra Yering old vine cuttings, 20% MV6, 10% Pommard & 10% Abel.

---

## WINEMAKING

Small fermenters with varying percentages of whole bunch from none to 100% to add layers and lift. Hand plunged and gently pressed before gravity filling to barrels, a mixture of 300L hogsheads & 228L barriques. Malolactic fermentation occurred before winter in the cool underground cellar.

---

## WINE

Wonderfully lacy and elegant, the fruit is sitting in the red spectrum with cranberry and watermelon. A whiff of sandalwood brings a savoury complexity. This wine sits firmly in the medium weighted silky characteristic of Pinot Noir, yet has good concentration.

A dainty fruit palate, some whole bunch use bringing some light stalk tannin and structure, only seasoned oak to compliment the fruit profile.

---

## CELLARING

An ethereal Pinot Noir made to be enjoyed while young and bright. It will continue to evolve for up to 5 years.

---

## ACCOLADES

2025 Halliday Wine Companion - 5 Star Winery
