

PETE'S PURE

# CABERNET SAUVIGNON | 2024

## WHO IS PETE?

Pete was one of our original vineyard managers. A classic “old school” man of the land. His motto was “if it’s worth doing, it’s worth doing really well”. He cared deeply for his vineyard and always made sure it could be relied upon to grow grapes that made great wine. So, when we wanted a name for our collection of uncomplicated but lovingly made wines, we couldn’t think of a better figurehead than our old vineyard manager.

|                     |                          |
|---------------------|--------------------------|
| WINEMAKER           | Jade Woods               |
| REGION              | Murray Darling Australia |
| TOTAL ACIDITY       | 5.9g/L                   |
| PH                  | 3.56                     |
| ALCOHOL             | 13.0                     |
| CELLARING POTENTIAL | 1-3 years                |

## VINTAGE CONDITIONS

Sunraysia regions have a climate well suited for growing vines, with warm summer days and plenty of sunshine allows ripe fruit flavours and sugars to develop. In 2024 we had mild days, cool nights and medium rain fall. This led to average ripening conditions resulting in bright ripe fruit.

## VITICULTURE & WINEMAKING

Pete’s varietal range of wines are selected from vineyards with an average age of 15-20 years. After fermentation in stainless steel vessels the best parcels are blended and prepared for bottling. All Pete’s wines are vegan friendly.

## TASTING NOTE

**Colour:** Medium red purple.

**Aroma:** The nose shows aromatic notes of subtle mint and black current.

**Palate:** Mouth filling fruit sweetness is present on the palate. Vibrant flavours of dark berries, hints of mint and subtle oak influence.
