

SOLARA

PROSECCO 2025

VEGAN

We're about doing life your way
– the bright side – from a
vineyard that's regenerating the
earth around it, meaning you can
do more for the world whilst
celebrating all the positives in it.
Fizz isn't just what we make. It's a
way of life.

APPEARANCE

Bright pale straw with green hues.

BOUQUET

Lifted citrus fruits, nashi pear and granny smith
apple aromas on the nose.

PALATE

The palate is crisp and refreshing with a fine
persistent mousse and well-balanced acid.

VINTAGE CONDITIONS

The Sunraysia region has a climate well suited for
growing grapes, with warm summer days and plenty
of sunshine this allows ripe fruit flavours and sugars
to develop. In 2025 we had warm days and cool nights
with medium rain fall. This led to average ripening
conditions resulting in bright ripe fruit.
