## 2025 Grenache Nouveau Preservative Free

Small portions of three distinct bush vine Grenache vineyards were blended to produce this joven style. One from the low altitude and coastal Lacey vineyard in the Tatachilla subregion, another from young vines in the elevated Seaview subregion, and an 60-year-old bush vine vineyard in Blewitt Springs planted on deep sand. The individual parcels were fermented separately; all harvested by hand and gently destemmed to give whole berry ferments, 15% whole bunches were added to the bottom of each ferment to begin fermenting carbonically, hand plunged in small open fermenters for two weeks. Bottled after 2 months in seasoned puncheons. No fining or sulphur additions.

13.8% alc/vol

Lifted and Luscious, fruit driven with a structured finish.
