

# Pipers Brook 2023

## Pinot Noir

### AROMA

Abundant black forest fruits of red and dark berries, with red cherry and hints of strawberry, complex and earthy with alluring spice notes.

### PALATE

Layers of mixed berries and dark cherry fruits with savoury elements and depth of earthy spice. Wonderfully textured mid palate with fine velvety tannins and lasting intrigue.

### WINEMAKING

Whole bunches were carefully de-stemmed, with berries remaining intact. Fermentation via a combination of wild and inoculated yeast took place in small open vats, with 15% whole bunch included in the ferment.

A combination of hand plunging and pumping over was employed throughout ferment. The resulting wine was gently pressed in a basket press and aged on lees in French oak barrels in our cool underground cellars for 9 months.

Bottled under screw cap to preserve intensely perfumed aromatics and expressive fruit.

### TECHNICAL NOTES

<b>Variety:</b>	Pinot Noir
<b>Region:</b>	Pipers Brook, West Tamar
<b>Vines:</b>	Low yielding old vines from our Pipers Brook Estate and West Tamar Vineyards
<b>Cellaring:</b>	Up to 8years
<b>Alcohol:</b>	14%
