

# Pipers Tasmania

## 2024 Sauvignon Blanc

### AROMA

Gooseberry, tropical fruits and black currant with a touch of tea leaf and fresh herbaceous notes

### PALATE

Tropical fruits, passionfruit and gooseberry, fresh and zesty with lively cool climate acidity

### WINEMAKING

Cold harvested at night from selective blocks in the West Tamar. Carefully pressed with protective handling to preserve naturally vibrant tropical aromas and flavours. The juice was brightly clarified with cold settling and fermented slowly at very cool temperatures. Bottled early under screw cap to preserve intense varietal fruits and fresh herbaceous characters.
