

Kreglinger Wine Estates

Ninth Island 2024 Sauvignon Blanc

AROMA

Lush tropical and fresh herbaceous character

PALATE

Fresh and expressive palate of tropical fruits and citrus with lively acidity, perfect for any occasion.

WINEMAKING

Cold harvested at night. Carefully de-stemmed and crushed using anaerobic handling to avoid juice oxidation. This preserves naturally vibrant tropical aromas and flavours.

Juice brightly clarified and fermented very slowly at very cool temperatures in stainless steel vats. Bottled early under screw cap to preserve intensely perfumed aromas and fresh, fleshy tropical fruit showing integrated crisp acidity.

TECHNICAL NOTES

Variety: Sauvignon Blanc
