

Kreglinger Wine Estates

Ninth Island

2024 Rosé

AROMA

Vibrant aromas of strawberry, watermelon and fresh cream.

PALATE

Juicy strawberries, pomegranate, and ripe watermelon, held together with fresh cool climate acidity. Very moreish, seamless balance and enticing texture in this dry style rosé.

WINEMAKING

Selectively picked in the cold morning hours, the naturally chilled fruit was crushed to press where it soaked on skins for 6 hours before gentle pressing. This juice was then cold settled and transferred to a combination of barrel and stainless-steel tanks for fermentation. Wild fermentation was allowed to commence prior to inoculation with *Saccharomyces* yeast. Following primary fermentation, the wine was aged on lees to give fullness and texture prior to blending and bottling.

TECHNICAL NOTES

Variety: Pinot Noir
Region: Pipers Brook, West Tamar
Alcohol: 14%
