

# SOLARA

## SAUVIGNON BLANC

2025

VEGAN

We're about doing life your way  
– the bright side – from a  
vineyard that's regenerating the  
earth around it, meaning you can  
do more for the world whilst  
celebrating all the positives in it.

### APPEARANCE

Pale straw with green hues.

### BOUQUET

Tropical fruits, gooseberry and a hint of grass  
dominate the nose.

### PALATE

Light to medium bodied with punchy tropical fruits  
and a long grassy finish. The palate is very well  
balanced and has great length of flavour.

### VINTAGE CONDITIONS

The Sunraysia region has a climate well suited for  
growing grapes, with warm summer days and plenty  
of sunshine this allows ripe fruit flavours and sugars  
to develop. In 2025 we had warm days and cool  
nights with medium rain fall. This led to average  
ripening conditions resulting in bright ripe fruit.
