

# Canva's Integrated Academy

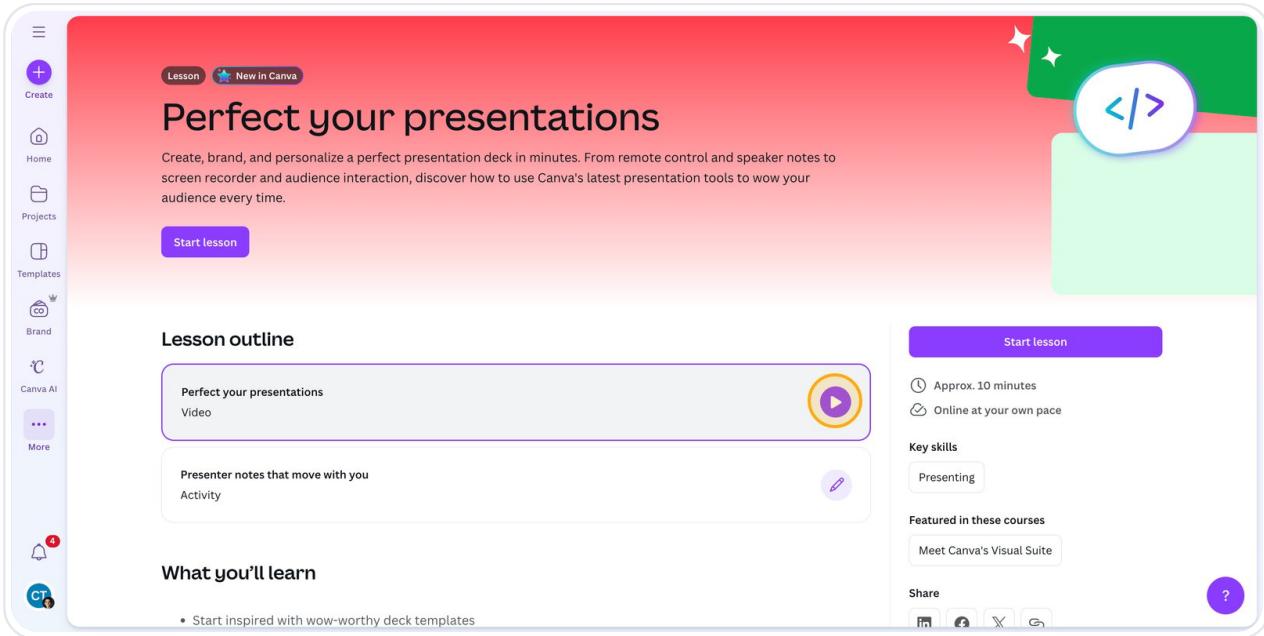

1. Click here to discover Canva's latest features and updates.

2. Select a lesson card to start learning about effective presentations.

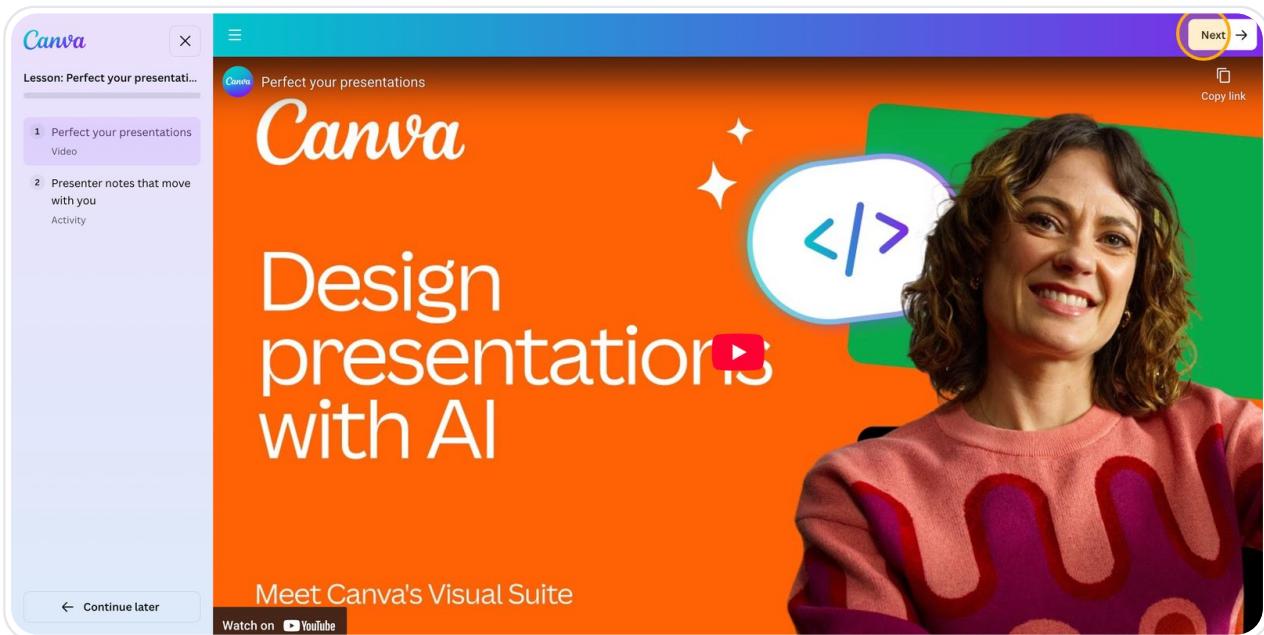

3. Press the play button to begin the lesson video.

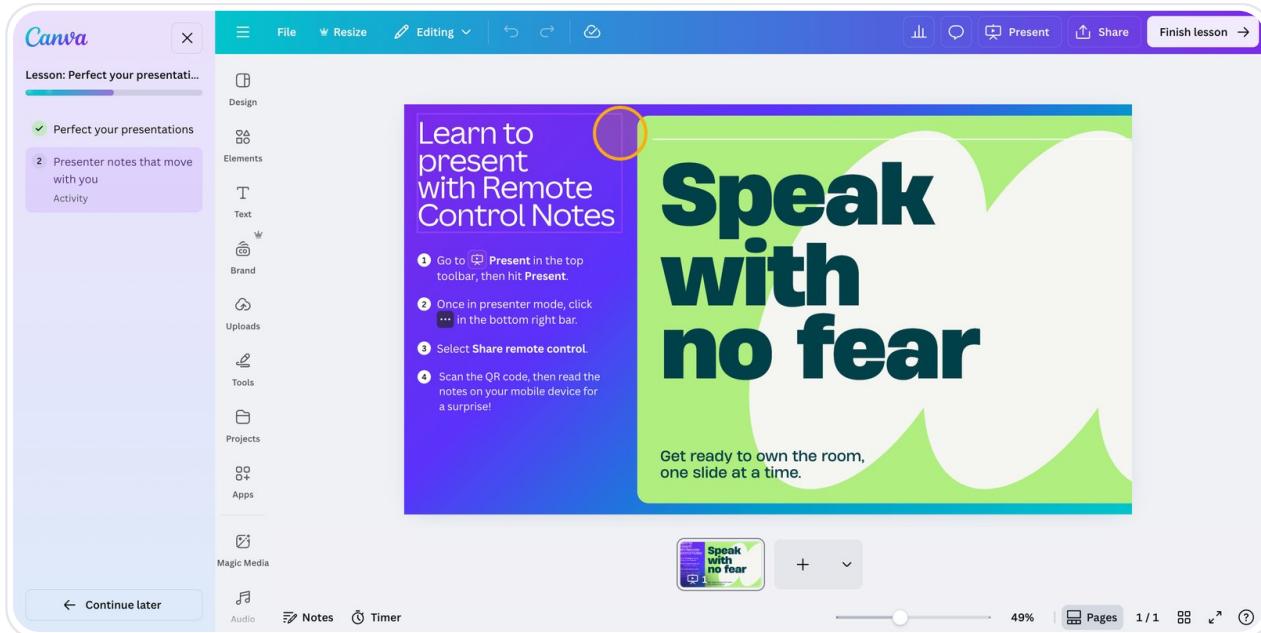

The screenshot shows the Canva course interface for the 'Perfect your presentations' lesson. On the left, a sidebar includes icons for Create, Home, Projects, Templates, Brand, Canva AI, and More. The main content area features a large green banner with a speech bubble containing '</>'. Below the banner, the title 'Perfect your presentations' is displayed, followed by a description: 'Create, brand, and personalize a perfect presentation deck in minutes. From remote control and speaker notes to screen recorder and audience interaction, discover how to use Canva's latest presentation tools to wow your audience every time.' A 'Start lesson' button is present. The 'Lesson outline' section lists two items: 'Perfect your presentations' (Video) and 'Presenter notes that move with you' (Activity). The 'What you'll learn' section includes a bullet point: 'Start inspired with wow-worthy deck templates'. To the right, there is a 'Start lesson' button, a timer indicating 'Approx. 10 minutes', and a note that it's 'Online at your own pace'. The 'Key skills' section lists 'Presenting'. The 'Featured in these courses' section includes a link to 'Meet Canva's Visual Suite'. The 'Share' section has icons for various platforms, and a question mark icon is in the bottom right corner.

4. Use the Next button to move forward in the course.

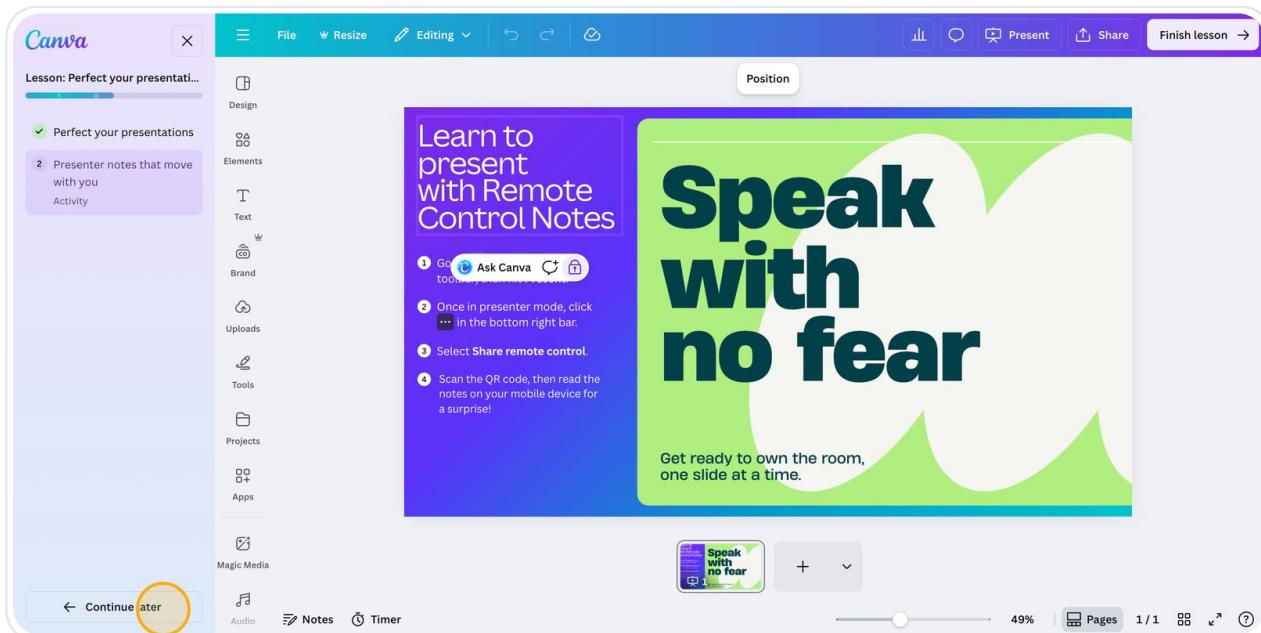

The screenshot shows the video player for the 'Design presentations with AI' video. The video frame features a woman smiling and the text 'Design presentations with AI'. The video player includes a 'Next' button with a right-pointing arrow in the top right corner. On the left, a sidebar shows the course navigation with 'Lesson: Perfect your presentation' and two items: '1 Perfect your presentations' (Video) and '2 Presenter notes that move with you' (Activity). At the bottom of the video frame, there is a 'Meet Canva's Visual Suite' section with a 'Watch on YouTube' button.

5. Edit slide content by selecting the text you wish to modify.

6. Click Continue later to pause your progress and return at your convenience.

## 7. Start a new lesson on customizing templates to enhance your presentations.

The screenshot shows the Canva Design School interface. On the left, a sidebar includes 'Create', 'Home', 'Projects', 'Templates' (selected), 'Brand', 'Canva AI', and 'More'. A notification bell icon shows 1 new notification. The main content area features a section titled 'What you'll learn' with a list of bullet points:

- Start inspired with wow-worthy deck templates
- Apply your brand styles and logos easily with Brand Kit
- Animate slides and add transitions for a polished look
- Leverage presenter tools for improved delivery and audience engagement
- Tips on how to collaborate, comment, and present seamlessly

Below this is a section titled 'Lessons you might like' with three cards:

- Lesson** Customizing templates (15m, Beginner) - Shows a woman on a pink flamingo.
- Lesson** Navigating Canva's homepage (5m, Beginner) - Shows the Canva homepage.
- Lesson** Using search and Magic Design (8m, Beginner) - Shows a marketing presentation.

On the right, there are sections for 'Presenting', 'Featured in these courses' (Meet Canva's Visual Suite), 'Share' (with icons for LinkedIn, Facebook, X, and Email), and a feedback section.

## 8.

The screenshot shows the 'Customizing templates' lesson page. The sidebar is identical to the previous screenshot. The main content area has a large image of a woman on a pink flamingo. The title is 'Customizing templates' with a 'Lesson' tag. A sub-headline says 'Learn how to personalize Canva templates using the editor's tools, layouts, and design elements.' A 'Start lesson' button is prominent.

The 'Lesson outline' section contains two items:

- Customizing templates (Video) with a play button icon.
- Customizing templates (Activity) with an edit icon.

The 'What you'll learn' section lists:

- Using Canva Editor for template customization
- Navigating the side panel and menu bar
- Editing and refining page layouts

On the right, there are sections for 'Start lesson', 'Key skills' (Template customization, Layout, Typography, +2 more), 'Featured in these courses' (Canva essentials), 'Share', and a question mark icon.
