United States Bankruptcy Court  
District of Utah

RE: Case No 24-bk-23041-CDP (Power Block Coin, LLC)

My name is Kathleen (Kaycee) Conger, and I fully support Power Block Coin, LLC's motion to convert case number 24-bk-23041-CDP, currently under Chapter 11, to a case under Chapter 7. I have a claim in this proceeding and believe this motion will simplify the ongoing process and be beneficial to the company's creditors.

Respectfully,

Kathleen (Kaycee) Conger
