Dear Judge Parker,
My name is Mark Nelson and I'm writing to support Power Block Coin LLC's motion to convert our case from a Chapter 11 bankruptcy to a Chapter 7. The case number is 24-bk-23041-CDP. I am an investor in the company, and I believe this will simplify the process and be beneficial to our creditors. I believe this is in my best interest. Thank you for your attention.

Sincerely,

Mark A. Nelson MD
Brookfield, WI.
