

## HEALTH & SAFETY POLICY

Our priority is to provide a safe workplace and to achieve our goal of zero harm to all employees and visitors.

Our commitment:

- Maintain an effective planned approach to efficient workplace health and safety
- Ensure all employees are fully aware of their legal and moral obligations to take reasonable care to ensure their own health and safety at work and comply with all relevant health and safety regulations
- Communicate and consult with our workforce and where appropriate, involve them in the development of safe systems of work
- Conduct regular reviews of work areas, equipment and behaviour to ensure continuous improvement and compliance
- Measure, review and monitor KPI's of both leading and lagging indicators

Your commitment:

- Work with Linmac Bearing Equipment and accept responsibility for maintaining a healthy and safe workplace and act in accordance with this policy
- Ensure you use all appropriate Personal Protective Equipment (PPE) that is fit for purpose and maintained in safe working order
- Work in a manner that ensures your own and everyone else's safety in the workplace
- Ensure you advise your supervisor if you feel a task cannot be undertaken in a safe manner

This Policy applies to all activities undertaken or controlled by Linmac Bearing Equipment
