

QUALITY POLICY

Linmac is committed to excellence, continual improvement and consistently meeting and exceeding client expectations.

Linmac is committed to providing quality products, shutdown execution, workshop and site services to the mining, construction, agriculture and food processing industries.

AIMS AND OBJECTIVES

Linmac's management team and personnel are committed to:

- Achieving certification to ISO 9001:2015 standard
- Adopting risk-based thinking and a process-based approach to our business systems and activities
- Building a client-centric focus
- Providing quality products and services, that meet and exceed client expectations
- Achieving the requirements of interested parties, including but not limited to:
 - Clients
 - Suppliers
 - Subcontractors
 - Employees
 - Employees' families
 - Local, state and federal government and legislation
 - The local community
- Meeting client specifications and expectations at all times
- Ensuring changes to company policies and procedures are communicated to all staff
- Ensuring this policy is communicated and understood
