

Digital & IT Infrastructure Support Donation Needs

Friends of the Lebanese Franciscan Sisters of the Cross (FLFS) Lebanon supports the life-saving mission of the Franciscan Sisters of the Cross, who serve the most vulnerable across Lebanon without distinction of race, ethnicity, or religion. Each day, they care for thousands of patients, guide thousands of students, and sustain the livelihoods of over 2,000 families through their work.

As part of our digital development and institutional modernization efforts, we are seeking support for computers, software solutions, and IT infrastructure upgrades across hospitals, care centers, and educational institutions. Investing in digital systems enhances operational efficiency, improves patient and student services, strengthens data security, and ensures long-term institutional resilience.
