

Medicine & Medical Supplies Donation Needs

Friends of the Lebanese Franciscan Sisters of the Cross (FLFS) Lebanon supports the life-saving mission of the **Franciscan Sisters of the Cross**, who serve the most vulnerable populations across Lebanon without distinction of race, ethnicity, or religion. Every day, the Sisters provide continuous care to patients in hospitals, support elderly and psychiatric patients, and ensure access to essential healthcare services despite the country's ongoing humanitarian and economic crisis. Today, **access to essential medicines and medical supplies has become one of the most critical needs**. Many patients depend entirely on donated medications to continue their treatment, manage chronic conditions, and preserve their dignity and quality of life. Your support helps ensure that **no patient is left without treatment**, and that care can continue uninterrupted across the Sisters' institutions. Every contribution large or small has a direct and meaningful impact.
